Hi Ehud/Nili:
Hope all is well with you. Am making good progress on the Yom Kippur War material, then on to post-war, and should
have a further chapter to you within a week or so, perhaps earlier.
Without meaning to press, I was wondering whether there is any early prospect of sorting out whatever issue
seems still to be holding up progress on finally sorting out the issue of payment and whatever formal contract(s)
remain to be signed.
Needless to say, I'd much rather leave this to lawyers and agents, as I'm sure you would also prefer. My interest is simply in writing, and getting Tim an outstanding book draft as quickly as we can. But it would be
of benefit to all concerned simply to get these issues behind us, so I'd appreciate any boost you could provide.
Thanks and best wishes
Ned
